The latest updates

Video provides a powerful way to help you prove your point. When you click Online Video, you can paste in the embed code for the video you want to add. You can also type a keyword to search online for the video that best fits your document.

To make your document look professionally produced, Word provides header, footer, cover page, and text box designs that complement each other. For example, you can add a matching cover page, header, and sidebar.

Click Insert and then choose the elements you want from the different galleries.

Themes and styles also help keep your document coordinated. When you click Design and choose a new Theme, the pictures, charts, and SmartArt graphics change to match your new theme. When you apply styles, your headings change to match the new theme.

Save time in Word with new buttons that show up where you need them. To change the way a picture fits in your document, click it and a button for layout options appears next to it.

When you work on a table, click where you want to add a row or a column, and then click the plus sign.

ETERNITY TAROT WEEKLY

Visions of the Multiverse

Issue No. 1 | August 17–23, 2026 | Guidance • Inspiration • Discovery

THE WEEK AHEAD

A New Gate Is Opening

This week carries the energy of transformation, awakening, and new possibilities. Something that once appeared uncertain may begin to reveal its purpose. Trust your intuition, but support your feelings with thoughtful decisions.

The universe may not always answer us with words. Sometimes the answer arrives through an unexpected meeting, a repeated symbol, a powerful dream, or a sudden change of direction.

Weekly message: What appears to be an ending may actually be the entrance to another universe of possibilities.

CARD OF THE WEEK

The Wheel of Fortune

The Wheel of Fortune represents movement, changing circumstances, destiny, and the natural cycles of life. This card reminds us that nothing remains exactly the same forever.

Upright meaning: Opportunity, progress, good fortune, and positive change.

Reversed meaning: Delays, resistance to change, repeating patterns, or feeling temporarily out of control.

Guidance: Accept what you cannot control while taking responsibility for the choices that remain in your hands.

Lucky number: 10

Lucky color: Royal blue

Power symbol: The eternal wheel

LOVE AND RELATIONSHIPS

Two of Cups

Partnerships receive healing and harmonious energy this week. Honest conversations can restore trust and bring two people closer together.

For those seeking love, remain open to meeting someone through an unexpected connection. For established couples, this is a favorable time to discuss shared dreams and future plans.

Love affirmation:

“I welcome relationships founded upon honesty, respect, and spiritual connection.”

CAREER AND MONEY

Eight of Pentacles

Success will come through patience, learning, and careful attention to detail. This is a good week to improve a skill, revise a business plan, complete unfinished work, or begin a creative project.

Avoid promises of instant wealth. Build your future one strong step at a time.

Financial guidance: Review your expenses, protect your resources, and invest your energy in work that can grow over time.

SPIRITUAL MESSAGE

The Star

The Star brings hope after difficulty. It represents renewal, inspiration, spiritual protection, and faith in tomorrow.

If you have recently experienced disappointment, this card encourages you to believe that healing has already begun. Your path may still be unfolding, but you are not standing still.

Message from the Star:

“Your light remains present, even when clouds temporarily hide it.”

TAROT FORECAST BY ELEMENT

Fire Signs — Aries, Leo and Sagittarius

Card: The Chariot

Move forward with courage, but do not allow impatience to control your decisions. Determination brings progress.

Earth Signs — Taurus, Virgo and Capricorn

Card: Queen of Pentacles

Focus on security, home, health, work, and wise financial management. Practical choices create lasting stability.

Air Signs — Gemini, Libra and Aquarius

Card: Ace of Swords

A truth may become clear. Use direct communication and carefully examine important documents before agreeing to anything.

Water Signs — Cancer, Scorpio and Pisces

Card: The High Priestess

Your intuition is especially powerful. Listen carefully to dreams, emotions, and subtle signs, but allow time for hidden information to emerge.

THE SEVEN GATES MESSAGE

This week, the **Third Gate of Eternity** opens—the Gate of Inner Knowledge.

To pass through this symbolic gate, release the need to receive every answer immediately. Silence can contain wisdom. Reflection can reveal what confusion has hidden.

Ask yourself:

- What truth have I been avoiding?
- What lesson continues to repeat in my life?
- What new possibility is waiting for my attention?
- What must I release before moving forward?

SIMPLE WEEKLY TAROT SPREAD

Shuffle your tarot deck and draw three cards:

Card One — What I Am Leaving Behind

This card represents an old energy, habit, fear, or situation.

Card Two — What Is Entering My Life

This card reveals the opportunity or lesson approaching you.

Card Three — My Best Path Forward

This card provides guidance for making the most constructive choice.

Record the cards and your first impressions in a journal. Return to your notes at the end of the week and observe what became clear.

MYSTICAL PRACTICE OF THE WEEK

The Light of Eternity Ritual

You will need:

- One white or blue candle
- A glass of water
- Your favorite tarot card
- A quiet place for reflection

Place the card beside the glass of water. Light the candle safely and take three slow breaths.

Say:

“Through every ending, a new path begins.
Through every shadow, a new light appears.
I welcome wisdom, clarity, and transformation.”

Spend several minutes reflecting upon the card. Extinguish the candle before leaving the area.

SYMBOL OF THE WEEK

The Hourglass

The hourglass reminds us that time is always moving, yet every moment contains a new choice. The sand that falls cannot return to the upper chamber in the same way, but the hourglass can be turned—and a new cycle can begin.

Meaning: Time, transition, patience, destiny, and renewal.

QUESTION FROM A READER

Question: “What should I do when I repeatedly receive the same tarot card?”

Answer: A repeating card often indicates a theme requiring greater attention. Study the card’s imagery, traditional meaning, and connection to your present circumstances. Ask what lesson remains unfinished. Avoid repeatedly drawing cards simply to obtain a preferred answer.

WEEKLY AFFIRMATION

“I move through change with wisdom and courage. I trust that every experience can guide me toward a greater understanding of myself and my purpose.”

NEXT WEEK

In the next issue:

- The mystery of **The Moon**
- A five-card relationship spread
- Understanding reversed tarot cards
- The Fourth Gate of Eternity
- A special message for every zodiac sign

ETERNITY TAROT WEEKLY

Where science meets spirit, imagination meets discovery, and every ending becomes the beginning of another universe.

Tarot readings are intended for reflection, inspiration, and entertainment. They are not substitutes for medical, legal, financial, or mental-health advice
